About Verdict Research

Authoritative analysis...

Verdict's analysts and consultants work closely with retailers, suppliers, consultancies, investment banks and property companies to identify the key issues, sector and company data and strategies driving the changing retail market.

Our research identifies how retailers can enhance product, store and brand performance as well as the factors that determine future retail success. Our specialist in-store auditing team continuously collects price and product data across locations, brands, fascias, ranges and retail sectors.

Rigorous research methodology...

Our in-house retail expertise and rigorous research methodology ensure our reports provide complete and accurate analysis of the major players, issues and trends together with a detailed examination of the strategic implications for the retail market.

For key players in the retail industry, our reports are the first source of information on sector forecasts, retailer performance, store and product portfolio developments and trading strategy.

Global, European and UK analysis across nine core sectors...

Verdict Research reports covers nine core sectors, five year forecasts, strategic issues, key locations, How Britain Shops consumer surveys and the main European retail markets. Also available are a daily news service, weekly newsletter and tailored consultancy portfolios to suit individual business information needs.

Over 20 years of experience...

Verdict Research is the UK's leading authority on retailing and publishes unrivalled independent analysis of the retail industry. With over 20 years' experience, Verdict has close relationships with major UK retailers and access, at the highest level, to key executives working in the top 300 retailers to hear their first hand views. Verdict reports provide clients with a complete picture of the retail sector and unique forecasts to help UK retailers, manufacturers, service suppliers, city analysts, consultants and the media with strategic planning.

A key source for independent analysis and comment...

Verdict Research is regarded as a key source by the BBC, ITV, Sky News and the UK's leading broadsheets including the FT, Times, The Independent and Daily Telegraph. Leading trade publications often refer to Verdict's opinion and research including Retail Week, Drapers, DIY Week, Cabinet Maker and The Grocer.

In addition Verdict regularly appears in the international media. News sources quoting Verdict analysts and data include CNN, the International Herald Tribune, The Australian, Los Angeles Times, and New York Times.

"Verdict are the company of choice for any research analysis and insight into retailing"

Sir Stuart Rose
Executive Chairman
Marks & Spencer

Expert Analysis

Our in-house retail expertise and rigorous research methodology ensure our reports provide complete and accurate analysis of the major players, issues and trends together a detailed examination of the strategic implications for the retail market. For key players in the retail industry, our reports are the first source of information on sector forecasts, retailer performance, store and product portfolio developments and trading strategy.

Consulting

Verdict's consulting team provides an extensive range of consultancy services, working independently or as fully integrated members of the client team depending on the circumstances. They are able to address a range of strategic, operational and tactical issues specific to your needs and have an extensive track record of working with retailers to help build their businesses and make them more profitable. In addition, they can also undertake customised research to tailor reports to your needs.
